Details of the tours

Maison du Gruyere

Le Gruyère AOC is a cheese with a long tradition and its making has been handed down over many generations of cheese makers both in the alpine and village cheese dairies. Helped by a headset, “La Maison du Gruyère” guides you through a modern world of the five senses and our talking cow “Cerise” (Cherry) introduces you to the secrets of the Gruyère AOC making.

The castle and village visit

Gruyères stands in the midst of the Fribourg green pre-Alpine foothills. The castle, one of the most prestigious in Switzerland, towers majestically above the medieval town. The tour of the castle offers a walk through eight centuries of architecture, history and culture.

Maison Cailler Tour

Imagine a place where all your senses can be immersed in the wonderful world of Cailler chocolate; your eyes discover mysterious Aztec cocoa ceremonies; your ears hear captivating accounts about François-Louis Cailler, the founder of the Cailler brand; your hands hold roasted cocoa beans and your nose follows the wafting smell of fresh chocolate whilst you discover the different production stages of the Cailler branches; and finally taste, since what would Cailler chocolate be if it didn't find its way to your mouth, where it caresses your taste buds with the fabulous flavors of the best cocoa, milk from the region, and other delicious ingredients.
